

Get reacquainted with Affinity Medical Center.

To our Friends and Neighbors,

On September 4, you'll have access to our full breadth of services in one convenient location, the newly improved Massillon facility.

The improvements we're making provide for ample growth and expansion. That means we can continue investing in new technologies and procedures to meet today's changing healthcare needs.

Most importantly, this move allows us to stay close to you and your loved ones. For over 140 years, we've built a tradition of medical excellence in the local community. Now we're looking forward to extending that legacy into the future.

I personally invite you to **get reacquainted with Affinity Medical Center at our open house**. We're offering guided tours, door prizes, refreshments and free health assessments from Affinity healthcare experts.

Sincerely,

A handwritten signature in black ink, appearing to read "Ron Bierman". The signature is written in a cursive style.

Ron Bierman, CEO, Affinity Medical Center

875 Eighth St. N.E.
Massillon, Ohio 44646

Open House
Wednesday, August 27, 4:30pm–6:30pm
